Los Cerritos Wetlands Authority will host first public workshop for the Conceptual Restoration Plan design of the Los Cerritos Wetlands.

SEAL BEACH, CALIF. — The Los Cerritos Wetlands Authority (LCWA) is proud to host the first public workshop for the Conceptual Restoration Plan of the Los Cerritos Wetlands. The first of six workshops will be held at the Seal Beach Senior Center at 707 Electric Avenue in Seal Beach, California on Thursday November 10th from 6:30pm to 8pm. Moffatt & Nichol, the LCWA's consultant for the Conceptual Restoration Plan, will be facilitating the workshop in collaboration with the team of sub-consultants selected to develop this plan.

Who is invited: All are welcome to join this workshop to learn and share about this exciting process toward restoring the Los Cerritos Wetlands. This workshop is about wetlands and community, so be sure to invite your friends and neighbors.

What will happen at the workshop: The workshop will begin at 6:30pm with an introduction to this momentous undertaking. Following will be an introduction of the consulting team working on the Conceptual Restoration Plan, an introduction to the public involvement process, a virtual tour through the Los Cerritos project site, and activities designed to gauge public values and beneficial uses of the wetlands.

Who is the LCWA and their consulting team: The Los Cerritos Wetlands Authority is a joint powers authority composed of the City of Seal Beach, the City of Long Beach, the State Coastal Conservancy and the Lower Los Angeles and San Gabriel Rivers and Mountains Conservancy. The Moffatt & Nichol design team is composed of Tidal Influence, Everest International Consultants, Coastal Restoration Consultants, New West Land, Kinnetic Laboratories, Livable Communities, Inc., and the Chambers Group, Inc.
